

SDAB 2025 Scheduling Changes – Effective September 1, 2025

To manage the growing number of appeals in 2025, the Subdivision and Development Appeal Board (SDAB) is updating its scheduling process. These changes aim to reduce delays in hearing and concluding appeals. For details, see [Upcoming Hearings](#).

Procedural & Jurisdictional Matters

Procedural and jurisdictional matters will now be scheduled for **Tuesday mornings**, with a maximum of five appeals per session.

Merit Appeal Hearings

Merit hearings will take place on: **Tuesday afternoons** and **all day on Thursdays**. **Concurrent hearings** will occur on the **2nd and 4th Thursdays** of each month.

The SDAB will continue to monitor the effectiveness of these scheduling changes and make further adjustments if needed.
